

Dimensional Frame

3-D High Impact Wall Display

Project your message literally off the wall with our exclusive three-dimensional banner display. Expect off the wall results too! There is no denying the impact created by this innovative framework.

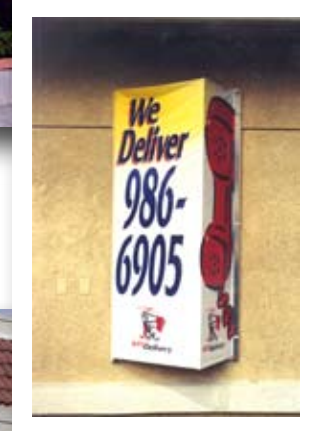

Perfect for Drive-thru campaigns to dramatically increase sales!

The Dimensional Frame system requires specially sewn banners. Sewing specifications are available from your Voxpop sales representative. Frames are available in 2 heights - 4ft or 6ft. Professional installation recommended.

**We don't make your P.O.P.
We make it WORK!!!**

- ✓ Unique design makes banners dramatically more noticeable and readable
- ✓ Banner change-outs are simple and fast. No tools needed!
- ✓ Extremely tough and durable. Will withstand all but the most severe weather.
- ✓ Can be back-lit for huge impact in the evening.

Did you know?

The Dimensional Frame system was used system-wide by one national chain and its impact on sales was tracked. The result? This campaign was judged the single most effective ever in the entire chain's history.
