

U-Frame

Coroplast POP Frame

Voxpop's newest product is already a big success with marketers who want a better solution for lawn signs. The U-Frame is an attractive professional display frame that ensures maximum impact and results.

Hammer ground rods in, slide U-frame over top

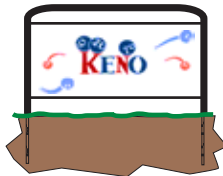

POP just slides into slots - that's it!

If you currently use wire stands, you can stop buying them every promotion and you can increase the effectiveness of your signage in one fell swoop! U-frames are custom sized to fit your P.O.P. and custom colored to enhance your locations!

U-Frames are a permanent solution for temporary signs!

We don't make your P.O.P. We make it WORK!!!

Heavy duty powder-coated steel tube, custom fit to your POP

- ✓ Attractive lawn display replaces wire frames forever!
- ✓ Creates a professional, consistent image
- ✓ Simple to install, POP just slides in
- ✓ Pays for itself - the last hardware you'll need
